## THE 96TH ANNUAL MACY'S THANKSGIVING DAY PARADE | THURSDAY | NBC

# African Gem Cutter Makes \$2,689,000 Mistake... Will You?

This story breaks my heart every time. Allegedly, just two years after the discovery of tanzanite in 1967, a Maasai tribesman knocked on the door of a gem cutter's office in Nairobi. The Maasai had brought along an enormous chunk of tanzanite and he was looking to sell. His asking price? Fifty dollars. But the gem cutter was suspicious and assumed that a stone so large could only be glass. The cutter told the tribesman, no thanks, and sent him on his way. Huge mistake. It turns out that the gem was genuine and would have easily dwarfed the world's largest cut tanzanite at the time. Based on common pricing, that "chunk" could have been worth close to \$3,000,000! The tanzanite gem cutter missed his chance to hit the jeweler's jackpot ... and make history. Would you have made the same mistake then? Will you make it today?

In the decades since its discovery, tanzanite has become one of the world's most coveted gemstones. Found in only one remote place on Earth (in Tanzania's Merelani Hills, in the shadow of Mount Kilimanjaro), the precious purple stone is 1,000 times rarer than diamonds. Luxury retailers have been quick to sound the alarm, warning that supplies of tanzanite will not last forever. And in this case, they're right. Once the last purple gem is pulled from the Earth, that's it. No more tanzanite. Most believe that we only have a twenty year supply left, which is why it's so amazing for us to offer this incredible price break. Some retailers along Fifth Avenue are more than happy to charge you outrageous prices for this rarity.

Not Stauer. Staying true to our contrarian nature, we've decided to lower the price of one of the world's rarest and most popular gemstones.

This stunning two-total carat Sunburst Tanzanite Ring features marquise-cut gems set dramatically in gorgeous sterling silver. Each facet sparkles with the distinct violet-blue hue of the precious stones. But we don't stop there. While supplies last, we'll include these tanzanite studs FREE with your purchase of the ring — a \$99 value!

**Limited Availability.** We only have 1200, 954 left for this ad only. Of course, your satisfaction is 100% guaranteed. If you are not completely aglow with the Sunburst Tanzanite Ring, send it back within 30 days for a complete refund of the item price. But, please don't wait, our supply is dropping rapidly.

"It's going to be pee-pee pants city here real soon," as AMC's juggernaut The Walking Dead concludes after over 10 years and 177 episodes. Fans of the postapocalyptic thriller may smile remembering that was one of Negan's (Jeffrey Dean Morgan) many classic lines. The series' final episode airs on AMC Sunday. Norman Reedus, who has played Daryl Dixon from the series' start, shared what that last day of shooting was like. "I walked out with my entire outfit. I didn't change clothes. I was hugging people and crying and saying goodbye to everybody that I just ended up driving home in my outfit. So I have all of it." In addition to his costume, Reedus also confessed to having about eight of his character's famed crossbows, among other set decor, which he's taken over the years.

Lauren Cohan, who plays Maggie, shared: "I remember a lot of trees, a lot of running in the woods, a lot of sweat. But what you really remember is the sense of people. Our tribe, our little sweaty team. And just how much everyone enjoyed being there and knew that this was once in a lifetime." But Daryl's and Maggie's stories, along with Carol's, Negan's — and even Rick and Michonne's — are far from over, as AMC has multiple spinoff series in the works. There is hope and a lot of possibility ahead!

The Rick & Michonne Movie: "We owe you the conclusion of the story of Rick and Michonne," said Danai Gurira, who played Michonne for seven seasons. Next year, instead of a two-hour movie, there will be a six-episode conclusion to Rick's (Andrew Lincoln) and Michonne's storyline that will air on AMC+. "I personally can't wait to get my cowboy boots back on," Lincoln concluded.

Carol & Daryl's Story: The characters Daryl Dixon (Norman Reedus) and Carol Peletier (Melissa McBride) have been with the show since Season 1. Reedus will continue Daryl's story in a spinoff that takes him to Europe on a solo mission. As for McBride joining, AMC said: "Relocating to Europe became logistically untenable for Melissa at this time. ... We very much hope to see Carol again in the near future." Reedus concludes: "The Carol/Daryl story isn't over."

Maggie & Negan's Story: The Maggie (Lauren Cohan) and Negan (Jeffrey Dean Morgan) sixepisode first season spinoff is titled *The Walking Dead: Dead City*, and AMC says it will follow the "characters traveling into a postapocalyptic Manhattan long ago cut off from the mainland. The crumbling city is filled with the dead and denizens who have made New York City their own world full of anarchy, danger, beauty and terror."

## THE WALTONS RETURN IN NEW THANKSGIVING MOVIE

Fifty years after *The Waltons* premiered on CBS, the family is back on television in the movie *A Waltons Thanksgiving* (Sunday on The CW). Original John-Boy Richard Thomas serves as narrator and introduces the tale by wishing viewers a Happy Thanksgiving and delivering a comforting message before the action shifts to Thanksgiving week 1934. The entire family is buzzing about the upcoming harvest festival fair. Matriarch Olivia (Bellamy Young) will be judging the pie-making contest, while some of the Walton kids will be participating in the talent

contest. The bulk of the action takes place the day of the fair, and the drama is a mix of low-stakes events like trying to successfully fish for a duck toy in a carnival game and more serious issues like finding a child who gets lost in the woods. Along the way, important life lessons are learned, many at the Walton dining room table. This is wholesome, sentimental entertainment for the entire family, a slice of life full of nostalgia for simpler times in rural America. Fans of the series should find much to enjoy. Teddy Sears, Logan Shroyer, Callaway Corrick and Samuel Goergen also star.

Twelfth Day

Return to

Christmas

## best bets **SUNDAY**

## **2022 American Music Awards**

7 pm on ABC

It's hard to believe but it's been 50 years since the legendary Dick Clark created the first American Music Awards show making it one of the longest continually broadcast award shows. But this year's golden anniversary will celebrate the history that has been made on the AMA stage.

## A Waltons Thanksgiving

7 pm on CW

Premiere

This 2022 drama reunites the Walton family as they prepare for Thanksgiving in 1934. The Depression has reached far and wide, but John Walton Sr. (Teddy Sears) provides for his family through the farm and by doing odd jobs from the eccentric Baldwin Sisters.

## **The Walking Dead** 8 pm on AMC

Series Finale

Since there are spinoffs in the TWD multiverse, we know that some characters will make it out alive in the series finale episode *Rest in Peace*. Daryl (Norman Reedus), Carol (Melissa Mc-Bride), Maggie (Lauren Cohan) and Negan (Jeffrey Dean Morgan) all move on to fight another day. But that leaves a lot of room for death and mayhem.

## **Tulsa King** 8 pm on PARAMT

Series Premiere

Dwight "The General" Manfredi (Sylvester Stallone), a New York mafia capo, has just been released from prison after 25 years and is unceremoniously exiled by his boss to set up shop in Tulsa, Okla. Dwight slowly builds a crew from a group of unlikely characters in order to help him establish a new criminal empire.

## 5 QUESTIONS with ...

four, answers our "5 Questions."

## DEMIÁN BICHIR

Of Showtime's "let The Right One In" By Jacqueline Cutler

Being a single father to a girl on the brink of becoming a teen is difficult. But when she's a vampire, the usual teen girl drama pales in comparison. Demián Bichir (*The Bridge, Weeds*) plays the father who kills for his girl. Though a murderer, he tries to slay only those the world would likely not miss, such as pedophiles. When the seventh episode of *Let the Right One In* airs on Showtime on Sunday, viewers finally learn how Eleanor (Madison Taylor Baez) became a blood-drinking creature of the night. "If we were lucky to grab your attention, and if you have come with us during the last six episodes, then it's time to fulfill that promise to unlock the knots," Bichir says from Mexico City. "And this is exactly how all these ordeals that we see the characters go through, how it happened. And I think it's right on time." Speaking on Halloween, Bichir, who jokes that this series could go for 17 seasons, but adds the story would be told well in

- **1.** Are there vampires among us? There are so many bloodsuckers everywhere. Yes! Literally, but figuratively, they drain you in many different ways oh, boy. Yeah, politicians, mostly.
- 2. Tell us about a time when you were starstruck. I was 11. And they invited me to do this really weird thing in Mexico. They would create small stories with photographs, like a photo novella, and sell that on the newsstand. They invited me because I was a child actor. My parents told me they want you to do this photo story with Blue Demon, an iconic wrestler. That is one of those bizarre, iconic figures in the pop culture life in Mexico. He arrived in his mask, and he never took it off.
- You started as a child actor in Mexico City, and your parents were in the business, so have you had any other jobs? I'm talking 10 years old, we lived in this apartment building in Mexico City and I bought this beautiful wooden box, a shoeshining kit. And I went, apartment by apartment, "Do you have any shoes that need to be shined?" The first real job that I had outside the stage, outside the theater, was when I arrived in New York. I was trying to learn English, and I began working at Rosa Mexicano as a busboy.
- 4. You're the host of a mythical dinner party. Who's at your table? Beethoven, Einstein, Gandhi, Lula da Silva, Angelina Jolie, Salma Hayek, Robert De Niro, Al Pacino, Gene Hackman, Jack Nicholson, Dustin Hoffman, Meryl Streep and the cast from Let the Right One In.
- 5. If you were not an actor, what would you be? A musician, without a doubt. I've done three independent albums, all guitar, all songs that I wrote music and lyrics. The latest one was during the pandemic, and I learned how to do everything on that album. It is called e4 (after the chess move). I wanted to be a professional soccer player, but I wasn't talented enough.

Hallmark Channel will premiere its new movie A Holiday Spectacular on Sunday, November 27 at 8 PM ET/PT. The film stars Ginna Claire Mason, Derek Klena. Ann-Margret, Eve Plumb, and features the Radio City Rockettes. In 1958, Philadelphia heiress Maggie puts her highsociety wedding plans on hold in order to sneak up to New York City and make her secret dream come true: dancing live on stage in the Christmas Spectacular at Radio City Music Hall. While

her family thinks she's staying in New York City with an "approved" friend from boarding school, Maggie is living a completely different life than she's ever known. She falls in love with New York and dancing with the Rockettes. Maggie soon feels caught between two worlds, made even more complicated by her chance encounter with young U.S. Navy photographer John. Will Maggie find the courage to tell her family what she wants for her future instead of accepting the future that was decided for her?

**ABC** will premiere season 10 of *The Great Christmas Light Fight* on Monday, November 28 at 8 PM ET/PT. This fun and visual series takes us across the country to the most elaborate and awe-inspiring holiday displays in the nation as viewers will once again see four fantastic families face off in each one-hour episode and compete to win \$50,000 and the coveted Light Fight Trophy. Lifestyle expert Carter Oosterhouse and famed interior designer Taniya Nayak serve as the judges.

**HGTV** will debut the new season of its hit series *Fixer* to Fabulous on Tuesday, November 29 at 9 PM ET/ PT. Home renovation and design experts Dave and Jenny Marrs will carry out more stunning renovations. The 16 new episodes will follow the duo, based in Bentonville, Arkansas, as they transform homes while raising five young children and managing their family farm. Jenny, the creative influence behind their personalized renovations, specializes in designing spaces that are warm and welcoming for families. Dave tackles construction and custom-built furniture with skill and confidence that stems from his passion for reviving old homes. In the premiere episode, the Marrs will help a local business owner and her husband, an Olympic athlete, modernize their dated 1980s ranch home to better accommodate their family. The renovation will include a spacious new kitchen and a serene new main suite.

## Allen bombs opponents into submission in Buffalo

On a day when America sits down and gives thanks, Buffalo Bills fans have cause to be grateful for their football team and its star quarterback.

Indeed, Josh Allen is at it once again in Western New York, pulling off exploits that at times seem surreal while leading the Bills to the top of the AFC East.

One came in Week 5 against the Pittsburgh Steelers, when less than 90 seconds in he hit wide receiver Gabe Davis on a 98-yard touchdown pass, the longest in Bills history and as well as the longest scrimmage TD in the first 90 seconds of a game in NFL history.

But he was far from done. He'd connect with Davis again on a 62-yard TD pass in the second quarter plus two others to Stefon Diggs and Khalil Shakir before finishing the half with 348 yards and four touchdowns. When he was pulled in the fourth quarter in favor of back-up Case Keenum, his final stats were 20 of 31 for 424 yards with the four TDs and one interception in what turned out to be a 38-3 Buffalo rout. Had he stayed in, he might have threatened Norm Van Brocklin's single-game record of 554 yards set in 1951.

Through five games, Allen is again among the league's top passers, topping the list in yards (1,651) and touchdowns (14). More importantly, he has the Bills faithful thinking 2022 is the year a Super Bowl title might be theirs.

Allen and the Bills can be seen Thursday, Nov. 24, on CBS, when they visit the Detroit Lions in the first of three Thanksgiving Day NFL contests.

## THE WEEK IN SOAPS

## James Hyde Brings Jeremy Stark To "The Young And The Restless"

Passions alumnus James Hyde (ex-Sam Bennett) popped up in flashbacks on The Young and the Restless last month in scenes with Susan Walters' character Diane Jenkins. Now, Hyde's alter ego, Jeremy Stark, is back playing out more of his character's secret past with Diane.

Hyde first came to the attention of Y&R executives after he screen-tested for the role of Tucker McCall (which went to One Life to Live alumnus Trevor St. John). "I didn't get [the role of Tucker], of course," Hyde shares with

TV Weekly, "but Greg [Salmon, associate casting director] sent me an email telling me I'd done a nice job and maybe they could incorporate me into the show [in another role]."

Actors tend to hear what often turn out to be false promises all the time, but, in this instance, the sentiment turned out to be true. "It [feels]

great to be back in this genre," the actor enthuses. "I was on *Another World*, *As the World Turns* and then *Passions*. It's almost like a full circle moment. It's amazing to have all these 'what ifs.' We'll see what happens."

Hyde's a champion of keeping good thoughts in life; he says he partially manifested his joining the top-rated CBS daytime soap. "I haven't been on a soap set since *Passions* ended," he says. "I remember thinking that if I ever came back to daytime, I wanted it to be with Y&R"

The year 2022 continues to be a busy one for Hyde. He did an episode of *Station 19* that aired last month. In it, he played a controlling dad, who is also an attorney, irate that his son had been in a car accident with his high-tech, very expensive automobile. Also, Hyde's recurring on the Netflix/Telemundo series *La Reina del Sur* (aka *Queen of the South*). "It's the one with Kate del Castillo," Hyde shares. "I shot that in Colombia. I'm in five episodes as this English guy who's a lender. I had an East End accent." Hyde says that watching a lot of Guy Ritchie (*Sherlock*) films helped him perfect the right accent. "My character has lent someone who reads [playing] cards some money. He owes me, so we go to a casino where he can give me signs."

Hyde is thrilled to be working alongside Walters, whose character Diane was presumed dead for a little over a decade (in real time). The two had never met before, but they have a mutual friend in common — actress Kim Johnston Ulrich, who played Hyde's love interest lvy Winthrop Crane on *Passions*. "Susan is so open and giving and helpful," Hyde says of his costar, calling his *Y&R* experience so far "amazing."

## **HOROSCOPES**

By Yasmin Boland

ARIES (March 21 - April 19) Are you tired or uninspired? It may be hard to decipher the difference. One thing is for certain, you likely have too many things on your plate, so reassess your situation. If you haven't already, start reducing tasks. You're better off doing less and properly, than more with mediocre results.

TAURUS (April 20 - May 20) To solve a problem, answer a question or find a solution, you need to be thinking more in terms of the bigger picture than you are now. Money, debts and joint financial and/or emotional entanglements are all a part of the issue. If you're being encouraged to stretch beyond a comfort zone, then stretch!

GEMINI (May 21 - June 20) This week could bring you some of the most sweetest moments you've had regarding love for a while. You may attract additional support from someone in your personal or professional life that you didn't expect. Helpful conversations can help uplift and inspire. If someone steps up, allow yourself to step back and receive.

CANCER (June 21 - July 22) When life feels unpredictable, sometimes the best thing you can do is concentrate on the little things, even if that includes the tasks you'd rather avoid. You have the opportunity now to see the beauty in the mundane. Keep your eye on the big picture and don't sweat the small stuff.

**LEO** (July 23 - Aug. 22) This week brings the chance to make amends with whomever you may have upset recently. Sweet words and generous gestures can go a long way toward decreasing the distance you may be feeling. Do you want to be right or be happy? If you need to, extend an olive

VIRGO (Aug. 23 - Sept. 22) All aspects of your life, including family, relationships and career are set to go extremely well this week! There's a catch though, you may

need to overlook a few details and see the good intention behind someone's deeds. Your ability to go with the flow will serve you

LIBRA (Sept. 23 - Oct. 22) There's nothing quite like indulging in the pleasure of doing something that makes you feel restored, rested and relaxed! This week is spotlighted for reading, writing or any other self-care ritual or practice that supports your body and mind. Filling your cup first is the best way to support

**SCORPIO** (Oct. 23 - Nov. 21) Now that some of the intense energy has shifted from your sign. you can begin to breathe a sigh of relief. With a new moon entering your money zone, you can set some new intentions around cash. Facing your money fears is the best way to attract abundance.

SAGITTARIUS (Nov. 22 -

Dec. 21) Most people wait until the new year to set goals and intentions. With a pile up of planets in your sign, plus a new moon, your time to start afresh is now. What do you want out of your personal life? Big questions can be answered by tapping into your

CAPRICORN (Dec. 22 -Jan. 19) This is your time of year to turn away from some of your responsibilities so you can rest and reflect. If you haven't already, but always wanted to, try meditation or yoga. You'll be amazed by the intuitive insights it provides. Sometimes, the most productive thing you can do is rest.

AQUARIUS (Jan. 20 - Feb. 18) It's unlikely you've been feeling particularly lucky recently. Thanks to a new moon in your wishes zone, that is set to change this week! Go crazy! Let your desires run wild. What do you really want? More fun? More money? More joy? Lean into possibility rather than relying on probability.

PISCES (Feb. 19 - March 20) An array of new possibilities are set to potentially open up for you professionally, as a new moon lights up your career zone. Before you step up to the buffet, ask yourself what do you really want? Not all that glitters is gold.

## Mr. Malcolm's List 7 pm on SHOW

When she fails to meet an item on his list of requirements for a bride, Julia (Zawe Ashton) is jilted by London's most eligible bachelor, Mr. Malcolm (Sope Dirisu). Feeling humiliated and determined to exact revenge, she convinces her friend Selina (Freida Pinto) to play the role of his ideal match in this 2022 romantic comedy.

## A Christmas Proposal 8:01 pm on CBS

Down-on-her-luck chef Maria Winters (Jessica Camacho, *All Rise*) is running low on cash, so she agrees to pose as the girlfriend of Julian Diaz (Adam Rodriguez), an ambitious Seattle attorney who plans to use a Christmas visit with his relatives to position himself as the ideal candidate to take over the family law firm in this 2021 romance.

## **ASK MATT**

## WHY ARE THERE REPEATS THIS SOON?

@TVG/MMattRoush

**Question:** Why is it that the TV shows that came back on in the fall only aired just a couple of new episodes and then ran reruns for another few weeks? Example: The *FBI* trilogy, which aired new shows for three weeks and then, repeats once again. –*Alice P, Ft. Myers, FL* 

**Matt Roush:** To be precise and fair, the FBI series aired five consecutive episodes before hitting pause with repeats, which is a bit earlier than usual. (I'd ascribe some repeats to them choosing not to go up against a World Series game, which could drain some of the core audience.) Generally speaking, most broadcast network shows try to air as many new episodes as possible from late September or early October through to early December, but since the pandemic, I'd cut them some slack because it's taking longer and costing more to produce these episodes with the various testing and safety protocols. Sometimes shows also need to slow things down just to catch up with post-production, which could result in a week or two of in-season repeats earlier than used to happen. With the exception of those shows that air mostly straight through with the intention of leaving at mid-season, you'll see lots more repeats in the back half of the season. And an occasional repeat now means there may be more fresh material to enjoy in the winter and spring.

## Send Her Over The Rainbow

## 700-year old legendary art form for the price of your dreams.

Now I know how that little farm girl from Kansas felt when she went over the rainbow and awoke in a land of spectacular color. Look what I found in the land of ahhs!

Approaching Burano Island off of northern Venice was like being swept away in a dream. Known for its brightly-painted fisherman houses that line the canals, I was greeted with every color of the rainbow. Since before the Venetian Republic, Burano was home to fishermen and legend says that the houses were painted in bright hues so they could see their way home when fog blanketed the lagoon.

Inspiration struck. I wanted to capture this historical beauty in the centuries old art form of Murano. Still regarded as being the finest form craftsmanship in the world, Murano has evolved into modern day fashion statements.

So I hopped on a vaporetto for a forty minute ride to Venice and sought out the impeccable talents of one of Venice's finest Murano artisans. They've captured the vibrant colors of the iconic fisherman houses in the perfect hand-formed beads of *The Rainbow Murano Necklace*. To own a piece of authentic Murano is to own a piece of fine art steeped in history. Each and every piece is a one-of-a-kind masterpiece.

I want to make it easy for you to send her over the rainbow. That's why for a limited time you can treat her to the *The Murano* 

Rainbow Necklace for only \$39. And, to help you double down on romance, I'll throw in the matching bracelet absolutely FREE! As one of the largest importers of handcrafted Italian jewelry, we have a way of making dreams that you dare to dream come true.

Satisfaction guaranteed or your money back. Enjoy the *Murano Rainbow Necklace* for 30 days. If it doesn't pass with flying colors, send it back for a full refund of the item price. You can even keep the bracelet for your trouble.

Limited Reserves. You could easily pay \$300 or more for a Murano glass bead necklace, but at \$39 PLUS a FREE bracelet, these authentic handcrafted pieces won't last. For a remarkable deal, there's no place like Raffinato.
